**Subject:** Re: Cover letter

I am sending you the Spanish translation of the cover letter that we are planning on sendig out to our customers. Mario Parra send it to me to taylor it to this market. Please review it so that there aren't any problems from the legal and image perspectives. Carol, perhaps makes sense to send it to your Mexian Advisors, since they would have concerns regarding the language used in the promotion of this products.

Any questions please let me know.

Kind regards.
