Subject: Enron Wholesale Services Legal Department

As a follow-up to the recent Enron Corp. memorandum forming Enron Wholesale Services (EWS), effective today, we have reorganized the Wholesale Services Legal Department.

The goals in reorganizing the department are as follows: (i) align the legal department as closely as possible with the business units, (ii) speed the flow of legal technology across the business units, and (iii) achieve greater efficiency and consistency across the organization.

To this end, a legal policy group will be formed for EWS Legal, which will include Lance Schuler, Enron Americas; Mark Evans, Enron Europe; Mark Taylor, Enron Net Works; Alan Aronowitz, Enron Global Markets; Julia Murray, Enron Industrial Markets; and Bruce Lundstrom, Enron Global Assets.

The organization chart for the EWS Legal Department is attached. More comprehensive organization charts will follow for each group.
