Drew,

CONGRATULATIONS!!! It is about time!!! Dana and I would be glad to assist Sandra and you on your relocation to Houston. If you need a place to stay, our doors (and pool) are open. We would also be available to show you around. Also, Dana would love to show Sandra where all the good places to shop are ... trust me she knows.

Let me know when you will be in town.

Robert & Dana

RELEASE IN PART

decided to retire after a distinguished 27-year career with Enron. Mike has been a conscience and a statesman of our organization and it is hard for me to imagine the ETS organization without Mike.

Fortunately, Drew Fossum, currently Vice President and General Counsel for Northern Natural Gas and Transwestern, has accepted my offer to become Vice President and General Counsel of ETS effective April 1, 2001. Drew will relocate to Houston and report to me in his new role.

To assist with transition issues and special projects, Mike has agreed to stay on board for several months as Managing Director and Special Counsel to the Chairman and will continue to report to me.

Please join me in congratulating Drew on his new assignment and thanking Mike for his many contributions to ETS and Enron.
