Subject: Re: Enron Monterrey/Vitro

Jeff and Reynaldo Garcia spoke on this subject at length, and Rey convinced Jeff that spitting was necessary. AT that time the Enron Contracting entity was not specified to be Energia... If you want to unsplit the documents it will add additional time in excess geting a consolidation agreement completed I think. Please include Rey in your quest for closure. PS GE is now OK with the split.

I need help getting closure on the Consolidation Agreement. I hope that we do not invent other issues as well.
