Participants:

Last Friday, January 26th, the Special and Correcting Invoices for the Southern California Edison (SCE) default were due and there were some Participants who failed to comply with Schedule 2. Section 4.3.2. of the PX Tariff which states, "All payments by the PX Participants shall be made to the PX Clearing Account via the Fedwire System for funds to be received at the PX Clearing Account no later than noon PPT on the Payment Due Date."

Additionally, Schedule 2, Section 5.5 of the PX Tariff requires the PX to identify such Participants to all other affected PX Participants by the most expeditious means available.? In accordance with Section 5.5, here is a list of PX Participants not in compliance with Section 4.3.2. for the SCE default:

?? American Electric Power Service Corporation
?? Arizona Public Service
?? Los Angeles Department of Water and Power
?? Pacific Gas & Electric
?? Sacramento Municipal Utility District
?? Salt River Project

Each PX Participant's pro-rata portion of the shortfall from the Participants mentioned above will be communicated to them individually in the next couple of days.? If you should have questions, please call Clark Cheng at 626-537-3243 or Chris Anderson at 626-537-3377.

Thank You.
