oh ok....yeah..i agree...though i want to talk to mike bc i need to know how far he has pushed this through...or how far bobby and mm have. i just need to explain to mike that i am planning a relocation that involves john and i...a decision together...and that portland is not the only option we are looking at.....just so there is not this expectation that if they offer..i accept.

oh i just meant..i don't want you to add that as another factor to sway you...that just b/c these guys are all pitching in to help you doesn't mean you have to go there if they offer.
