Subject: Statoil agreed changes

Jim Eden and I agreed to the following:

[1] Cross Default Threshold for Statoil will be $20MM.
[2] Cross Default Threshold on Enron side will apply to Enron Corp (take out part about ENA)
[3] Statoil will not provided quarterly financials (only annual)
[4] Set-off: well... I had them in agreeing, but they reneged.

We also need to discuss the cure period referencing paragraph 7. I'm not sure that I fully understand when this applies.

Rod
