> Notice of Incorporated Terms
>
> Transportation to be provided between points in the U.S. (including its
> overseas territories and possessions) is subject to the individual terms
> of the transporting air carriers.  These terms are incorporated herein by
> reference, and are made part of the contract of carriage between the
> airline and the passenger.
```

>
> Incorporated terms may include but are not restricted to:
> (1) Limits on liability for personal injury or death. (2) Limits on
> liability for baggage, including fragile or perishable goods and
> availability of excess valuation coverage. (3) Claims restrictions,
> including time periods in which passengers must file a claim or bring an
> action against the carrier. (4) Rights of the air carrier to change the
> terms of the contract. (5) Rules on reconfirmation of reservations,
> check-in times, and refusal to carry. (6) Rights of the air carrier and
> limits on liability for delay or failure to perform service, including
> schedule changes, substitution of alternative air carriers or aircraft or
> rerouting. (7) This document is good for carriage for one year from date
> of issue, except as otherwise provided in this document, in carrier's
> tariffs, conditions of carriage, or related regulations.
>
> You can obtain additional information on items 1 through 7 above at any
> U.S. location where the transporting air carrier's tickets are sold. You
> have the right to inspect the full text of each transportation air
> carrier's terms at its airport and city ticket offices. You also have the
> right, upon request, to receive free of charge the full text of the
> applicable terms incorporated by reference from each of the transporting
> air carriers. Information on ordering the full text of each air carrier's
> terms is available at any U.S. location where the air carrier's tickets
> are sold. Foreign air transportation is governed by applicable tariffs on
> file with the U.S. and other governments.
>
>
> Notice of Baggage Liability Limitations
>
> Liability for loss, delay, or damage to baggage is limited as follows
> unless a higher value is declared in advance and additional charges are
> paid:
> (1) for travel wholly between U.S. points, to $2500 per passenger on most
> carriers (a few have lower limits); (2) for most international travel
> (including domestic portions of international journeys), to approximately
> $9.07 per pound ($20.00) per kilo for checked baggage and $400 per
> passenger for unchecked baggage. Pursuant to American's (and American
> Eagle's) tariff regulations, the weight of each piece of checked baggage
> will be deemed to be the maximum acceptable weight for the passenger's
> destination, unless the actual weight has been [stated on the passenger
> ticket]. This creates a maximum liability for international travel to or
> from a U.S. point of $634.90 per piece of checked baggage. This liability
> limit may be lower for additional pieces or where the passenger utilizes
> connecting carriers. Excess valuation may not be declared on certain
> types of articles.
