Subject: Oneok Contract

Attached is the proposed contract with Oneok. Since it is a maximum rate deal, there is no discount letter. However, I am circulating this for [REDACTED] B6
section) regarding marketing of capacity for release, as allowed by Section 30.8 of the General Terms and Conditions of Transwestern's tariff.

Christine, you and Michele will need to fill in the address and account information. My sincerest apologies for operating outside the usual contracting procedure but since time is even more of the essence that usual here, I felt it was best to get a pro forma version of this out for approval as soon as possible.

Please e-mail your approval to Christine and me by noon tomorrow if possible. Thank you.
