Subject: Comment Letter

Attached is our first draft of a comment letter on the CFTC's Regulatory Reinvention proposal. The comment letter must be submitted to the CFTC by next Monday, August 7. I would appreciate your comments by COB this Wednesday, August 2. Of course, I am available to discuss the draft as well. At this point, I do not think we need to have a conference call on this and we can just coordinate and assemble the comments. If others feel differently, please let me know.
