Dear Clients,
Due to unpredictable hardware failure, last night's migrations to Outlook had to be postponed. You ability to use email via your Lotus Notes client remains 100% available at this time. The Outlook Migration Team will contact you to inform you of your re-scheduled date of migration. We apologize for the inconvenience this has caused you and thank you for your patience and understanding.
Please feel free to contact me if you have any questions or concerns.
Sincerely,
Emmanuel
