TODAY'S FEATURES
Patricof & Co.'s Early Stage Team Stays The Course
By Amanda Briggs
Michael Duran, a partner at venture firm Patricof & Co., has spent the last couple of months looking at Series C deals, an unusual move because Mr. Duran was hired last February to focus on early stage deals in the telecommunications equipment and component sectors. more>>
UPCOMING EVENTS
July 31: New York City
Financial Services Outlook
There are about 1,000 e-finance startups operational right now, offering services such as cash management, 401(K) brokering, and online banking. However, the e-finance landscape is still largely undefined. Financial Services Outlook will help define the future. Register before June 19 and SAVE $100!

top

Everyone's talking about collaboration-from collaborative e-commerce to collaborative manufacturing. Everyone's also trying to don the collaboration mantle as they vie for attention from customers and investors.

Enterprise Outlook will cut through the hype. Learn about fundamental technologies and issues that must be ironed out before businesses can work together. See which applications truly merit being called "collaborative." Discover how the supply chain takes on new power when companies can talk machine-to-machine, application-to-application, and person-to-person.

William Blair Capital Partners Gets $403M for Fund VII
mail? top

CHICAGO (VENTUREWIRE) -- William Blair Capital Partners, which makes venture-capital and later-stage investments, including management buyouts and recapitalizations, announced it has closed $402.86 million for WBCP VII, its seventh fund. Managing Director David Chandler said it took the firm nine months to raise the fund, which held its initial closing at the end of last year. WBCP, which raised $270 million in its previous fund, will continue to invest in business and communications technology, healthcare, and business
