Sally, Could you please see that Ken gets this? What is his email address? I dont have it. The work that Loyal and his staff have done on this is impressive, even though it took a long time for me to bring this up on my computer, I think because it was such a big file. Love. Bonnie

Hi Bonnie whose girdle one time exploded. Do you remember that incident??? Kenny and I still remember! The reason for the message is that I wanted to send you the address of LFGA which is as follows:
http://www.geocities.com/heartland/acres/8896/index.html
You should look at Line #4 which is our line of the Lay family. Turn your speakers on cause you will hear some music. I am now the President of this organization so I am trying to get my all of my line to pay some attention to their lineage. We just got back from North West Arkansas. Looking at some housing. Thinking of making a move. Regards-Loyal
