Subject: All Party Settlement Mtg.- Commissioner Duque on 12/12/00

Mark,
Got your voice mail message. Sorry that I haven't gotten back to you sooner, but Susan and I were in a meeting with our new managing director most of the morning.

I finally spoke with Jeff Dasovich yesterday and he told me that Enron Corp. was probably not going to file comments in the case. However, he did say that if/when the "letter" is distributed among the CSA parties, he'll likely sign on behalf of Enron. Once again, he urged TW sign it as well. When I asked his opinion whether TW should file comments or not, he advised that we shouldn't necessarily waste our time. He feels that parties with bigger stakes in the outcome will likely file adequate comments in the case.

Notwithstanding, if it fits your schedule, Susan and I would like for you to attend the all-party meeting with Commissioner Duque on Tuesday in order to put in an appearance for TW. From this meeting, you might get a better sense for where things stand with this Commissioner, other Commissioners and other stakeholders.

I'll be at my desk this afternoon, so give me a call when you get this.
Thanks.
