Subject: LNG Facilities

Dear Mr. McConnell,

After reading this mornings Wall Street Journal article with interest, I thought it appropriate to write you, introducing our firm to you and our LNG facilities.

Coincidently, we had talked to our friends at Vinson and Elkins a few weeks ago about an introduction to the right person in Enron to discuss our LNG projects with.

I am sending by courier hard copies of the items attached to this e-mail.

We look forward to meeting you, and discussing the LNG opportunities in greater detail.

Yours faithfully,

Steve Meheen
