Subject: FYI

That means we need roughly 8000 dkths/d of Ag gas or Broad Run gas to cover markets. Right now we have enough Ag03 production around 20000/day to cover markets. THANKS

Subject: FYI

PER THE CES SUPPLY DEALTICKET THE VA POWER & CORAL BROADRUN GAS EXPIRES ON 3/31/2000.
THAT MEANS THE PRIMARY CONTRACTS TO SUPPLY RESTRICTED MARKETS WILL BE SECONDARY AND SUBJECT TO CUT. I WILL EITHER NEED MORE AO3/W. VIRGINIA OR BROADRUN GAS TO KEEP IT PRIMARY.

THANKS
JOANN
