Sara;

Are you also involved in EnronOnLine ? I only got a copy of an EOL summary but would like to receive a more detailed memo about such business. Can you provide me with any additional materials ?!

Thanks,

Sami

Hi, Sami! Sorry we missed the call yesterday. I just wanted to update you on some of the financial trading issues in Brazil (and I have added you to the working group list). I am going to finalize our "swap matrix" for Brazil. On the physical trading side, I had asked a physical trading lawyer to call you and am wondering if Elizabeth Sager ever called or emailed. Please let me know. Thanks. Sara

Dear Sara:

Thank you for your message below. Please find attached hereto free translation into English of new foreign investor's regulations in Brazil. We are preparing a memo to you in connection with such new regulations and are finalizing the matrix prepared last year. We will send them to you shortly.

AFAC and Marcelo: I hope this message finds you both well. I would like to finalize the matrix which was prepared last year so that we can create a "baseline" for future updates. Please feel free to date the matrix as of December, 1999, if you wish. Please forward any recent changes to me for comment and I will respond immediately. Then we can move on to other things! Thanks for your help and attention to this mattter. Regards. Sara

Greetings to you both! It has been awhile since we last spoke. I would like to
finalize the matrix which we have been discussing since the latter part of 1999.
Although we were awaiting new Central Bank regulations, I am beginning to think
that the Central Bank revisions will not impact the matrix except with respect
to transactions which may be entered into by entities that are the subject of
the Central Bank regulations. Please let me know whether or not you agree or
can offer any suggestions. Thanks and regards. Sara
