Subject: Frontera Agreements

Bruce and Mike:

Attached please find the most recent versions of the Frontera Energy Marketing Services Agreement and the companion Master Power Purchase and Sale Agreement. Eric and Frank asked that I forward these to you. Please be advised that these are still under review at TECO, but reflect the most recent discussions concerning this arrangement.

You will note that I have made some changes to the Master Power Purchase and Sale Agreement to reflect the relationship being established under the Energy Services Agreement and to harmonize the terms of that agreement with the overall business relationship being established. Please recognize that there are likely to be further revisions following additional review.

I look forward to concluding this arrangement in the next several days.
