Claire, I'm glad you enjoyed the meeting, and we're glad to have you on the team. I'll keep you posted on everything by email. I can't sign you up for the MS150 without your signature, so either stop by by office, 3AC3120, or Stephanie Strong, EB2414, or drop by the meeting tomorrow in 5C2 at 5-7 pm, and pick up a form, fill out and sign, give back to one of us. Or, if you don't have time for that, let me know and I'll mail it to you company mail.

Thanks.

Amelia-

I enjoyed the meeting today. It was very helpful for me as I am not a very experienced biker (I'm in really good shape, but I am not a biking fool!) , and it was good to hear about rides sponsored during the week. It was also helpful to learn about the inspection sticker - and I will bring my bike in on March 24 if that is still the date at which we can have them inspected. Please let me know about when the mechanics class will be held too - I need to know how to change my tires!

Can you please sign me up for the MS150? Here's the info I think you need, and let me know if you need any other info. Thanks very much for your time!!!

Subject: MS150 Registration

Just to clarify, if you are an Enron Cycling Club member, Enron will pay for your registration. Contact me or Stephanie Strong and we'll get you signed up. For non-Enron people who want to be on the MS150 Enron team, they can do so by registering themselves and listing "Enron" as their team. However, they're not officially on the Enron team until we are notified, and we must have their email address and phone number, also exact spelling of the name as it appeared on the registration, or fax the registration form to 713-345-5755.
