I'll forward the piece to Brulte via email and offer to meet with him when I'm in Sacramento on Monday, or have a phone call with him before Monday to discuss the proposal further if he would like.

Best,
Jeff

1. Just wanted to let you know that not every Californian agrees with our Attorney General.
2. Read with interest a Dow Jones story regarding about a 4 page proposal Enron gave to Speaker Hertzberg allowing large commercial customers.
3. Would love to see that proposal.
4. Thanks.
