Subject: Useful sites

I found these sites useful.

Search engine:

[REDACTED] B6
lauguage searches (as opposed to Boolean searches). It is a "metasearch engine" which gathers info from 10 or more web sites.

www.moreover.com This is a news website which collects info from 1800 websites when you do a common language search. It includes international sites as well. Here is a link to a search when you type in Enron: http://www.moreover.com/cgi-local/page?o=portal&h=Search+results+for...+Enron&query=Enron. I think it's a great site.
