Steve,

I was delayed on my wait out. I probably hit the stop at
6:15.

Let me buy you a coffee this afternoon. What about 2:00?

Vince,

I was at the bus-stop from 5:50 to 6:10 ish, assumed you had been delayed and
jumped on the next Research Forest bus that came along.

I hope you didn't wait around for me?

regards

Steve

Steve,

Please, let me know when you come back.

I have detected a tendency to implement different

approaches to valuation in the past.

To some extent, it reflects the absence of formal

Subject: Valuation

Vince,

I'd like an opportunity to talk to you about valuation.

I'm hearing confusing messages about the way that the UK IT team and the UK

traders get their Valuation code aparently signed off by Research, while

here... You provide it for our guys to wrap up.

We have now a situation where the UK team are using a home grown Valuation

piece called DOVE, where results differ from those of the equivalent USA

portcalc.

I need to break through the pride barriers and the "not built here"
