Subject: RE: Data Room

I think you need to coordinate with Kevin Howard and Drew Fossum. I will be out of the office tomorrow.

Subject: RE: Data Room

Rod and crew,

In speaking with Jayshree, I think Mitch and Jeff would like to divide the information into categories i.e legal information (environmental disclosures, etc.) regulatory information, financial/accounting (I think we have a lot of this and I will try to get it organized), any relevant tax information, etc. I know this is a lot but let me know what you think, who I should coordinated with, etc.

Thanks
Sarah
