I've got the crib, a playpen, red and blue check bumpers for the crib, a never used airplane baby swing you hang on a trees (our trees were too tall), perhaps a jogging stroller (don't think we gave it away), and I don't know what else. All have "baby Carnahan" on it. Will she give the baby her last name? That would be cool.

I met someone (a guy) named Kayne. Yes, I know it looks like Kay, but I thought it sounded cool. Kayne Carnahan. Opps, sounds like a bull rider!

Remember not to throw away baby stuff! My oldest daughter, Sara has already bought a complete wardrobe for the baby including girl and boy outfits. I guess I had better get on the ball and at least buy a "I Love Granny" bib or something! Ha.

Do you know Carlos' cell phone number? His normal secretary is out.
