Eric,

Mandeep Chahal, Ainsley Gaddis, Sofya Tamarchenko, Elena Chilkina, James Aimone
should not count. M. Chahal was transferred to the New Company, the rest are summer interns
(gone back to school), or part-time high school or college kids. I shall walk around and remind the rest
of the crowd about the deadline.

Vince

Subject: Follow-up

Vince --

We have been working the last few days to get ENA's United Way participation rate up as high as possible. I called earlier about your Cost Center because the following 16 employees were listed in Power Trading, but I believe are part of the Research organization.

If you have a chance, could you encourage them to log onto http://unitedway.enron.com on the intranet and make a contribution to the United Way. The deadline is today.

Thanks.

Eric
