Subject: THIS IS A SURVEY - ONE QUESTION

<http://isc.dev.corp.enron.com/surveyVPN/images/index_r1_c1_r1_c1.gif>
Now that you have access to the following applications without requiring VPN access...

Outlook Web Access (email and calendar)

PEP

XMS (Expense Reporting application)

And, COMING SOON...
eHROnline (year-end)
Benefits Election (Oct. 29, 2001)
Electronic Pay Stubs (year-end), and
Much More,

through the ClickAtHome Portal and the Internet, do you still believe you need remote access through VPN from home to Enron networks (must have a valid business reason with supervisor approval and a monthly cost)?

YES NO NOT SURE
Please answer this survey from your computer at work, not via Outlook Web Access.
