Subject: SERC/TVA/Enron agreement

We just sent this back to TVA and SERC. Based on TVA's 8/4/99 letter to NERC (in response to Jeff's 8/31 letter), it appears that TVA has no intention of agreeing to allow Enron to sink at the control areas. Elizabeth and I will have the letter to Howard Hawk ready for 5:00 for Jeff.

Subject: SERC/TVA/Enron agreement

Attached is a redlined version of Enron's response to TVA's proposal of this morning. Enron will agree to disaggregate the control area numbers (we have revised the examples accordingly) and Enron will agree to remove the Gleason facility. Christi Nicolay 713-853-7007 for Dick IngersollPlease use LAUNCH to view redlined copies.
