Enter your vote today! Check out the new poll for the cheatsheets group:

Hi,

If you have a minute, I'd really appreciate your assistance as I start planning for 2001. I waited until now to ask as I think the playoff contending folks are the cream of the crop when it comes to our customers.

I'm interested in the features this year you found most useful on the cheatsheets.net site.

Follow the instructions, click on the link provided, and please vote for a few of the things you found the most valuable and important to you. There is not a set number of items you must choose. Just pick the ones you like the most.

Thanks for your help and good luck this week!

PS. I also ask a couple of bonus questions at the end. Interested in [REDACTED] B6
