Akasha:
I would reword the first sentence as follows:

In response to your e-mail dated March 21st and based on all of the information that we have received from you thus far which essentially has only demonstrated that the debt of our Reference Entity's affiliates has been repudiated, we still lack proof of the repudiation by our Reference Entity (and the guarantor of such debt) of its obligations under the Guaranty that supports such debt. Please provide us such information to demonstrate that a Credit Event has occurred.

I will be out of the office tomorrow but will be checking my voice mail. If you need to consult with someone right away, please contact Sara Shackleton who is familiar with this deal.
